Portsmouth Public Schools provides a variety of online resources to help support instruction, learning, and student productivity. The majority of our district subscriptions, including online textbooks, can be accessed through the **PPS Clever Portal**. This is a web-based dashboard that gives students access to PPS resources through one login. **The portal can be access at https://clever.com/in/pps**

Students should use their Google username and password to access the Clever Portal. Below you will find a list of resources to help students stay engaged and active in learning.
